

hhello do we lie in the usa or do we live in some wired county im sick of the
usa taking ever ones freedom away every time a person or thing becomes big some
one or some thing gets jealous the usa was found for making drames come true
well i dont think your leting that hapen i think you need to get your head out
of your ass and worrie about things that relly reply not pekking on xm raido
thats better then lisening to a lot of commercials insted of music and shows and
weather i think it is good every othr raido sation has weather so dose xm that
is nice you dont have to chenge your radios to lesen all you have to do is turn
the chanle so leave them alone and number 2 i like lessing to wether report and
trefic report in like new your when i live des moines so do us all a favoer and
leve xm alon thank you kylr miller
